

Afghanistan! Iraq! Missile Defence! *Canadian Complicity in the Big Business of War*

Mark Twain

Vice-President, American Anti-Imperialist League (1901-1910)

"It ain't what you don't know,
that gets you into trouble.
It's what you know for sure,
that just ain't so."

Canada is supposed to be a global force for PEACE.

Unfortunately, it's a MYTH!

- In Afghanistan, Canada is integral to the U.S.-led regime change that replaced one set of brutal, fundamentalist warlords and drug barons (the Taliban) with another (the Northern Alliance)!
- Learn 16 ways that Canada has aided and abetted the Iraq War!
- Learn about Canada's ongoing role in the creation, design, R&D, testing and maintenance of "missile defence" weapons systems!

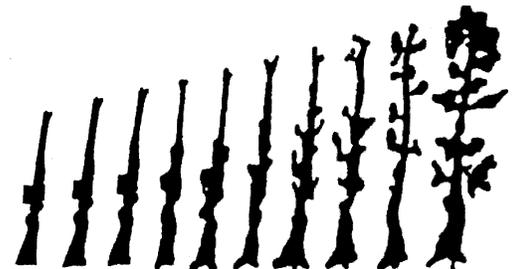

WARNING!! This presentation is balanced with the wit and wisdom of Mark Twain, Pogo and Oscar Wilde.
