Canadian Complicity in the Business of War

Mark Twain

Vice-President, American Anti-Imperialist League (1901-1910)

"It ain't what you don't know,
that gets you into trouble.
It's what you know for sure,
that just ain't so."

Canada has a reputation as a global force for PEACE.

Unfortunately, it is a MYTH!

- In Afghanistan, Canada is integral to the US-led regime change that replaced one set of brutal, fundamentalist warlords and drug barons (the Taliban) with another (the Northern Alliance)!
- Learn 14 ways that Canada has aided and abetted the Iraq War!
- Learn about Canada's crucial role in the creation, design, R&D, testing, maintenance & operation of many BMD weapons!

WARNING!! This presentation is balanced with the wit and wisdom of Mark Twain, Pogo and Oscar Wilde.
