

Did you know that CANSEC, Canada's largest War-Industry Bazaar, is coming to Ottawa, June 1-2 ?

Ottawa's Lansdowne Park will host this arms show for 250 companies to exhibit their wares. These military and "security" corporations are fuelling wars and repression around the world with hardware such as automatic weapons, ammunition, battle vehicles, and high tech parts for the world's deadliest weapons systems.

*This year,
we're putting
a nonviolent
SNAG*
in CANSEC!*

Please bring signs, banners and objects of peace to decorate the CANSEC fence! Join a peaceful picket! Join Raging Grannies from Ottawa and Montreal in anti-war protest songs.

Nonviolence training & event preparation: Sun., May 29, 1-5 pm. To reserve a place: **613-565-5959**
