Sources for Graphics

None of the graphics used in this issue were originally associated with the articles in which they are used here. These graphics were collected by *Press for Conversion!* editor, Richard Sanders, from a variety of other sources that are, for the most part, available on the internet. For reasons of space, the sources of these graphics are not cited here. They are, however, listed at <members.rogers.com/overcoat/54graphics>

Special thanks to the
**Communications, Energy and
Paperworkers Union of Canada**
for the paper and photocopying!!

A Special Thanks for a Special Donation

Since the last issue of *Press for Conversion!* a new supporter, Petrea Taylor, made a very special donation to COAT. She donated a collection of about 200 amazing books on American fascism, the CIA and corporate elites, as well as related CDs, videos and hundreds of articles.

Thanks Petrea!
