Dear friends,

I hope this issue of the Coalition to Oppose the Arms Trade (COAT) magazine, *Press for Conversion!*, will inspire you to take some action. One way you can help to raise awareness about Canada's role in the Haitian coup, and the reign of terror that followed, is to distribute COAT's magazine to friends and colleagues in the peace/antiwar movement.

You could also attend, or help to organize, the Haiti-solidarity events of CHAN, a network of Canadian groups working to expose Canada's imperialist role in Haiti.

Thanks for supporting COAT,

Richard
